# QuickSTARTLOANS

A QuickStart loan from the National Bank of Dominica can make your dreams come true. We offer construction and mortgage loans, home equity loans, personal loans and commercial loans. So talk to a loan officer today about getting your QuickStart.

## Construction/Mortgage Loans

**Construction Loan** - We offer building construction loans to individuals and builders at a very competitive rate, with conversion to permanent financing at lowered closing costs.

**Mortgage Loan** - Enjoy the security of a competitive interest rate over a maximum 30 year term for owner- and non-owner-occupied properties. Other types of conventional loans are available also.

**Mortgage Refinancing** - There are many reasons to consider refinancing, including lowering your interest rate, consolidating your bills, shortening your loan term or taking advantage of your home's equity.

**Commercial Mortgage** - Our commercial real estate loans are offered to small businesses and other professionals for investing in properties and owner-occupied commercial buildings.

## Home Equity Loans

**Home Equity Loan (Fixed & Variable Rates)** - With our home equity loans, you can use the equity in your home as security to borrow for practically any purpose - home improvements, debt consolidation, automobile purchase, special vacation, tuition, and more.

**Home Improvement Loan** - Want to improve your existing home, but the cost is not enough to justify refinancing? To add a room, replace a roof, or install a pool, let NBD construct the perfect loan with competitive terms and rates.

## Personal Loans

**Automobile/Vehicle Loan** - Looking to buy a new or used vehicle? We offer loan amounts to finance almost any make or model and flexible repayment terms to keep your monthly payment within your budget.

**Personal Loan** - We offer personal loans for various needs.

**Automatic Loan Payment** - Paying your loan couldn't be easier with Automatic Loan Payment. Plus, you'll save on new NBD consumer loans when you sign-up for this convenient service. Payment must be drawn from your NBD deposit account.

## Commercial/Small Business Loans

**Equipment Financing** - We finance all types of equipment including computers, office equipment, machine tools, construction equipment and agricultural machinery.

**Business Expansion** - We'll find a loan that is right for your company, so you can concentrate on growing your business. Our lending officers are experts at providing you with the best solutions to help your business reach your profit and growth objectives.

**Loan Consolidation** - Now you can consolidate all of your business loans and leases into one affordable and convenient monthly payment. The business loan consolidation program is a smart way to lower your monthly payments and increase monthly cash flow.

**Commercial Mortgage** - Our commercial real estate loans are offered to small businesses and professionals for investment properties and owner-occupied commercial buildings.

**Agricultural Loan** - Agriculture is more than a business, it's a way of life. We provide agricultural loans for operating expenses, improvements, land purchase, equipment and livestock.
